

## Alphabet Boogie

There's a letter in my cereal  
A letter in my soup  
Letter on the ball  
That makes me loop de loop  
A letter on my shirt  
A letter on my socks  
And all these letters make me wanna rock

To the alphabet boogie on the radio  
It's the alphabet boogie 1 2 3 let's go

### Chorus:

**A B C D E F G**

**H I J K L M N O P**

**Q R S T U V W X Y Z**

It's the alphabet boogie on the radio  
It's the alphabet boogie 1 2 3 let's go

Now the alphabet boogie  
Is an easy dance  
Anyone can do it  
If they have the chance  
It starts with your toes  
And it moves on up  
Just think of those letters as you dance and jump

To the alphabet boogie on the radio  
It's the alphabet boogie 1 2 3 let's go

### Chorus (2x)

Track 1 from **Rock, Rap, Tap & Learn CD**

## Diagonals

### Chorus:

You start up at the top  
And slide down at an angle  
Up at the top and slide down at an angle  
Up at the top and then slide  
A diagonal goes for a ride

You can make a triangle a diamond or star  
You can make **N** or a **Q** or an **R**  
Slide for an **M**, **A**, **K**, or **V**  
You can make **W**, **X**, **Y**, or **Z**

### Chorus

Diagonal up, diagonal down  
Diagonal never goes round and around  
No curve, no swerve  
No bend, and no dot  
Let's sing it again in case you forgot

### Chorus

## My Bonnie Lies Over the Ocean

My bonnie lies over the ocean  
My bonnie lies over the sea

## Picking Up My Pencil

Left-handed

Right-handed

Left-handed

Right-handed

Oh I'm picking up my pencil look at me  
 All my fingers are where they're supposed  
 to be  
 Oh I'm picking up my pencil look at me  
 Watch me hold it correctly

The thumb is always bent  
 Pointer points to the tip  
 Tall man helps he helps your pencil grip  
 He lets the pencil rest right on his side  
 The last two fingers tuck them in for a ride

Now I'm holding it just right but not too tight  
 Every finger is doing it just right  
 Now you might have missed what  
 I was showing you!  
 So I'll drop it and do it again with you

Pick up your pencils  
 Check your neighbors  
 Do you have a bent thumb?  
 How does pointer look?  
 Get ready, 1, 2, 3, 4

Now we're picking up our pencils watch  
 and see  
 All our fingers are where they're suppose  
 to be  
 'Cause we're picking up our pencil and  
 you'll see  
 We can hold it correctly

The thumb is always bent  
 Pointer points to the tip  
 Tall man always helps your pencil grip  
 He lets the pencil rest right on his side  
 The last two fingers tuck them in for a ride

Now we're holding it just right, but not  
 too tight  
 Every finger is doing it just right

Now we should be as proud  
 As proud can be  
 We can hold it, correctly
