

Subtract from Ten

10 minus ____

equals ____.

Materials: Counters in two different colors, numeral cards 1-10

Number of Players: 2

Directions: Take turns to turn over a card and subtract the number shown from 10. Say and write the subtraction fact. Cover the difference on the board. Keep taking turns until all of the numbers on the board have been covered. Count how many counters you have each used. The winner is the player with the most counters on the board.

7	8	1	2
0	6	5	6
9	6	4	8
7	9	4	5
3	0	2	1
